DISCLAIMER:

- *All prices listed in this document are estimates, not a guarantee.*
- *All training hours and course time lengths are estimates, not a guarantee and are based on student average in accordance with FAA minimum requirements.*
- *Prices will vary based on the assigned aircraft and instructor.*
- *Prices will vary between part-time and full-time students (part-time students will have a higher total cost of training). Full time students are required to purchase 5 uniforms. Part time students are required to purchase 3 uniforms.*
- *Prices will vary based on student performance. There is no guarantee that a student will receive instructor sign-off just because they meet the minimum hour requirements for training. All students must meet ACS/PTS standards and FAA requirements to receive instructor sign-off for practical exams.*
- *All prices listed in this document do not include flight time spent on stage checks, checkride redos, or commutes and accommodations to and from checkrides. Checkride fees listed are only an estimate, and are subject to change based on each individual DPE's fee.*
- *Pricing does not include any additional/remedial training that may be required if students fail any stage check(s) and/or checkride(s).*
- *Pricing differences will vary between Part 61 and Part 141 due to minimum hour requirements.*
- *It is suggested that students who are interested in completing multiple ratings do so concurrently, greatly reducing the total cost as certain hours completed towards one rating can be logged towards the required hours of future ratings. Part 61 allows for concurrent training for all ratings.*
- *Aircraft and Instructor assignment is subject to change due to any scheduling conflicts, maintenance upkeep that may arise or the selling of an aircraft.*
- *All fuel prices are subject to change based on current fuel prices and location of aircraft fill-up.*
- *All instructional rates in our aircraft are \$125/hr.*
- *A 4% credit card fee will be applied to all transactions paid by credit/debit card.*
- *Pricing is subject to increase and/or change at any time and will do so the first of every year.*
